Debates are a powerful tool for language learning. They engage students in critical thinking, vocabulary building, and fluency practice. They also provide an excellent opportunity to assess students' comprehension and communication skills.

This article provides 25 engaging debates for English learners and teachers. The debates cover a wide range of topics, from current events to social issues to future trends. Each debate includes a brief overview, a list of key vocabulary words, a test, and an activity.

## Debates

### 1. Should Students Be Required to Wear Uniforms?

**Overview:** Uniforms have been a topic of debate for many years. Some people argue that they promote equality and create a more positive learning environment. Others argue that they stifle individuality and creativity.

**Key Vocabulary:** uniform, equality, learning environment, individuality, creativity

**Test:** Answer the following questions.

1. What are the arguments for and against school uniforms?
2. Do you think school uniforms should be required?
3. What are the potential benefits and drawbacks of school uniforms?

**Activity:** Have a class debate on the topic of school uniforms. Be sure to consider the arguments for and against uniforms, as well as the potential benefits and drawbacks.

## **2. Should Social Media Be Banned in Schools?**

**Overview:** Social media is a powerful tool that can be used for both good and bad. Some people argue that social media should be banned in schools because it can be distracting and disruptive. Others argue that social media can be used for educational purposes and can help students stay connected with each other.

**Key Vocabulary:** social media, distracting, disruptive, educational, stay connected

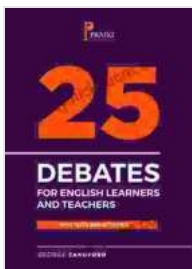

**Test:** Answer the following questions.

1. What are the arguments for and against banning social media in schools?
2. Do you think social media should be banned in schools?
3. What are the potential benefits and drawbacks of banning social media in schools?

**Activity:** Have a class debate on the topic of banning social media in schools. Be sure to consider the arguments for and against banning social media, as well as the potential benefits and drawbacks.

### 3. Should Violent Video Games Be Banned?

**Overview:** Violent video games have been a topic of debate for many years. Some people argue that they are harmful to children and can lead to aggression and violence. Others argue that violent video games are not harmful and can actually be beneficial.
