Hendrik Ebbers is a Java developer advocate and the creator of the Java Preview Sampler. He is passionate about helping Java developers learn about and use the latest features of the Java platform. He does this through his blog, talks, and workshops.

## The Java Preview Sampler

The Java Preview Sampler is a website that provides a preview of upcoming Java features. It includes examples, tutorials, and other resources to help developers learn about and use these features. The website is updated regularly with the latest information from the Java development team.

The Java Preview Sampler is a valuable resource for Java developers who want to stay up-to-date on the latest features of the platform. It provides a convenient way to learn about new features and how to use them in your own code.

## Hendrik Ebbers' Work

Hendrik Ebbers has been working with the Java platform for over 10 years. He has a deep understanding of the platform and its features. He is also a skilled communicator and educator. He is able to explain complex technical concepts in a clear and concise way.

Hendrik Ebbers' work has been recognized by the Java community. He is a Java Champion and a member of the Java Developer Advisory Council. He has also been awarded the Duke's Choice Award for his contributions to the Java community.

Hendrik Ebbers is a valuable asset to the Java community. He is a passionate advocate for the platform and its developers. He is also a skilled communicator and educator. He has made significant contributions to the Java community through his blog, talks, workshops, and the Java Preview Sampler.
