Effect:

A card is chosen by a spectator and placed in the middle of the deck. With a flick of the wrist, the magician makes the card vanish into thin air, leaving the audience baffled as to its whereabouts.

Method:

1. **Prepare the deck:** Remove the chosen card from the deck and place it on top.
2. **Cut the deck:** Ask the spectator to cut the deck into two piles.
3. **Combine the piles:** Have the spectator place the top card of each pile onto the bottom of the other pile. Repeat this process until all the cards are combined.
4. **The reveal:** Spread the deck out and show that the chosen card has vanished.

Chapter 2: The Card Warp

Effect:

A signed card is placed on top of the deck. The magician then waves their hand over the cards, and the signed card magically appears on the bottom of the deck.

Method:

1. **Prepare the deck:** Have a spectator sign a card and return it to the top of the deck. 2. **False shuffle:** Perform a false shuffle, where you appear to shuffle the cards but actually leave the signed card on top. 3. **Double undercut:** Cut the deck into two piles, and then place the top card of the bottom pile onto the bottom of the top pile. Repeat this process. 4. **The**

reveal: Spread the deck out and show that the signed card has moved to the bottom.

Chapter 3: The Floating Card

Effect:

A card is placed on the palm of the magician's outstretched hand. The magician then waves their other hand over the card, and it appears to float in mid-air.

Method:

1. **Prepare the card:** Bend the card slightly in the middle. 2. **Place the card:** Place the card on the palm of your outstretched hand, with the bend facing you. 3. **Wave your hand:** Slowly wave your other hand over the card, creating an air current that lifts the card slightly. 4. **Hold the pose:** Hold the card in place for a moment, giving the illusion that it is floating.

Chapter 4: The Card Prediction

Effect:

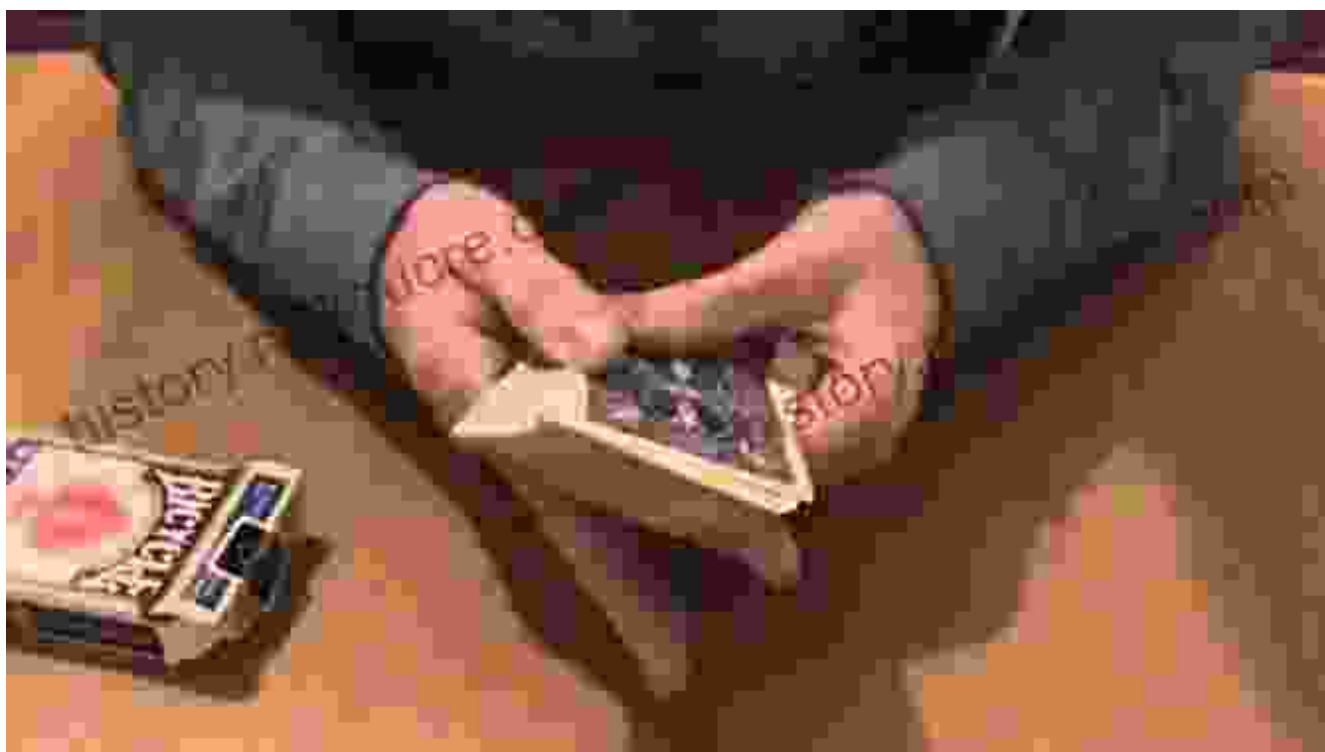

The magician writes a prediction on a piece of paper. A spectator then freely chooses a card from the deck. The magician reveals the prediction, which matches the chosen card.

Method:

1. **Prepare the deck:** Stack the deck so that the bottom card is the predicted card. 2. **Write the prediction:** On a piece of paper, write the

name or number of the predicted card. 3. **The reveal:** Have the spectator choose a card from the deck. Turn over the top card of the deck to reveal the predicted card.

Chapter 5: The Card Through Table

Effect:

A card is placed on the table. The magician then places a glass or other object on top of the card. The magician snaps their fingers, and the card magically appears on top of the object.

Method:

1. **Prepare the deck:** Place a duplicate card on the table.
2. **Place the glass:** Place the glass or object on top of the duplicate card.
3. **Switch the cards:** Snap your fingers and secretly switch the duplicate card with the chosen card.
4. **The reveal:** Lift the glass to reveal the chosen card on top.

Congratulations! By mastering these five card tricks, you have embarked on an extraordinary journey into the realm of magic. Remember, practice makes perfect, so dedicate yourself to honing your skills and developing your own unique style. The world of magic awaits your enchanting touch, where you have the power to ignite wonder and create lasting memories for your audience. Go forth, young magician, and spread the joy and amazement that only the art of card magic can bring.
