Shari started playing pool when she was just a teenager. She quickly realized that she had a natural talent for the game. In her early twenties, she began teaching pool lessons. She quickly gained a reputation as one of the best pool instructors in the world.

In 1998, Shari founded Precision Pool. The company's mission is to provide world-class pool instruction to people of all skill levels. Precision Pool offers a variety of instructional programs, including private lessons, group lessons, and online courses.

Shari's teaching methods are based on the principles of physics and geometry. She believes that anyone can learn to shoot pool with precision and accuracy if they are willing to put in the time and effort.

Shari's teaching methods have been praised by pool players of all levels. Many of her students have gone on to become world-class pool players. She has also been featured in numerous pool magazines and newspapers.

Shari is a passionate advocate for the game of pool. She believes that pool is a great way to improve your hand-eye coordination, spatial reasoning, and problem-solving skills. She also believes that pool is a fun and social game that can be enjoyed by people of all ages.

If you are interested in learning how to shoot pool with precision and accuracy, then I encourage you to check out Precision Pool. Shari Stauch is one of the best pool instructors in the world, and she can help you take your game to the next level.

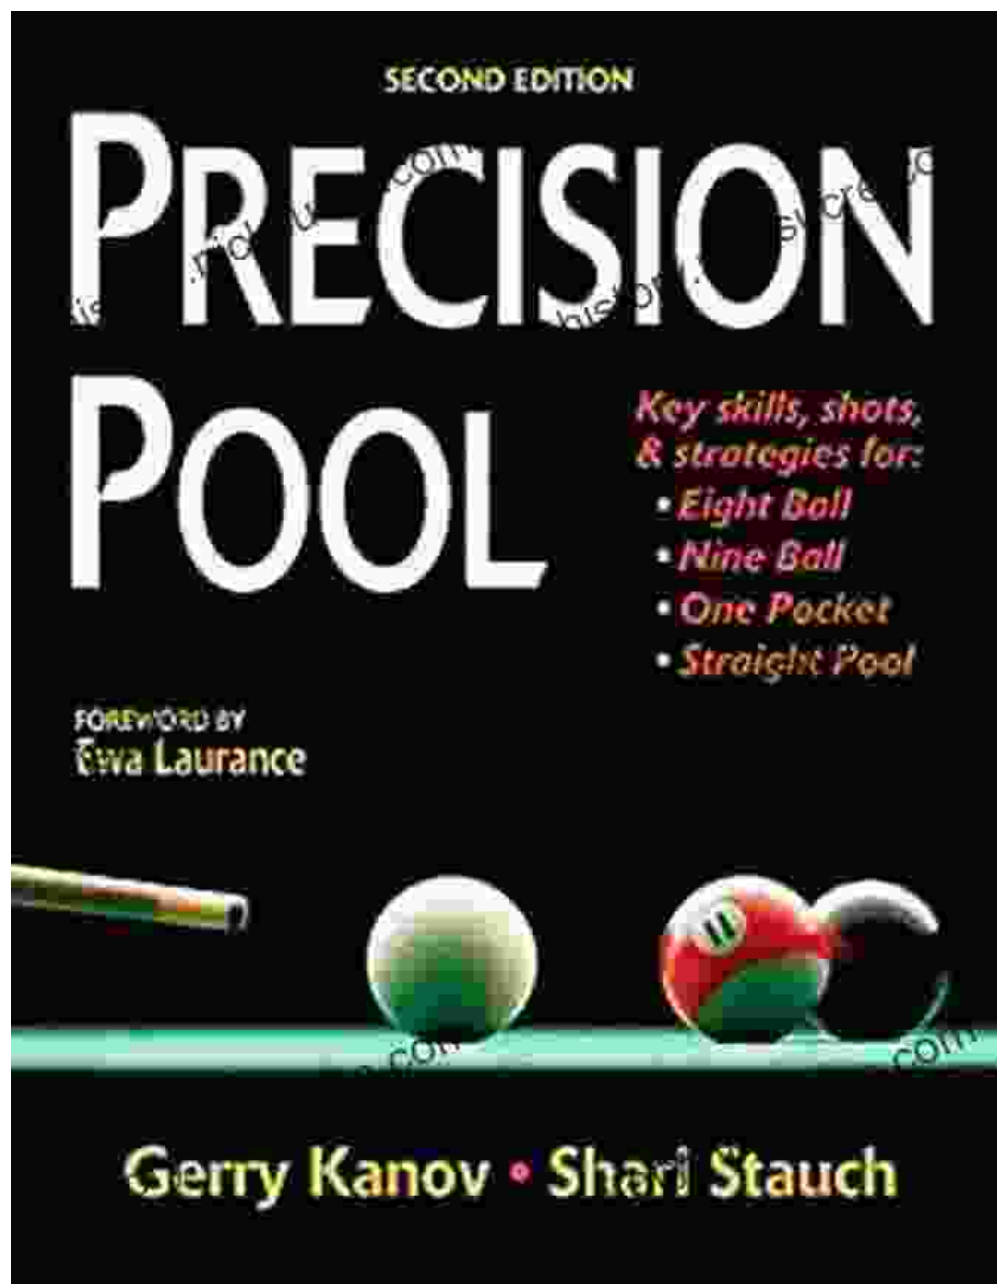

Here are some of the things that you will learn from Precision Pool:
